- Responsible for checking 50+ students' work in Data Structures course
- Guided students through concepts & providing biweekly progress reports to professor for Computer Organization
- Grader for Data Structures grading 30+ assignments a week
- Stepped into Head TA role temporarily. Coordinated sessions between Teachers and other TAs

Maret School, Washington D.C.

January 2024 - current

Substitute Teacher

- *Managed kids in the classroom grades 5th - 12th*
- *Managed kids in study hall grades 5th - 8th*
- *Check in with teachers to best provide a similar experience to the regular teacher*
- *Also provided teachers with a very flexible schedule so they could make the call if they needed a sub or not as close as an hour before class.*

Winter 2021 - 2022

IT Support Technician (2021)

- Promoted to technical support because of my problem solving skills
- Provided tech support for array of issues including: Wifi issues, audio sources, and hardware replacement
- Stood in as IT on call for a week while my boss was away
- Decommissioned the old chromebook fleet and migrated student profiles to new chromebooks
- Created notes from company's technical support so my boss could stay informed

Classroom Proctor (2021)

- Supervised 5th-12th grade students and co-hosted zoom calls to make hybrid classroom environments work
